Welcome to the service today. There is a crèche provided once the service has started - speak to either Fliss or one of the folk that welcomed you this morning.

If this is your first time visiting us, please stop for a coffee after the service and make yourself known to either Scott, our minister, or one of the other leaders.

February 2011 Church Weekend - Gift Sunday 5th Sept

The whole church is going away together, over 30 have booked in already but there are still places. So if you haven't booked, or you would like more information, speak to Scott or Fliss.

The first Sunday in September is a special opportunity to give to the fund during the service, so if you have been saving up preparing a gift towards the accommodation, then please place it in one of the envelopes during the service and place into the collection. Don't worry if you missed this opportunity as a gift can be either handed to Fliss or placed in any offering bag other weeks as long as the envelope is clearly marked "Away Weekend Fund".

Sponsored Walk - James and Norman are doing a sponsored walk on the 5th. If you managed to miss their sponsor forms (unlikely) and would like to encourage them, even post the event - then they are still very happy to collect your gift towards the Kisumu Orphanage Toilet Block Project.

Toddington Baptist Church

You are welcome to stay to brunch

This month's Messy Church is entitled "THE BIG WELCOME" and it is on National Back to Church Sunday. Together with the regular publicity is some specially printed invite postcards and these will be available in the first two weeks of September so that all the regulars can invite friends and family who may not have been to church in a long while or who have never experienced the joys of Messy Church! The whole MC will be about the welcome Christ gives and the welcome folks should experience from the church.

Prayer Space - Soaking all that we are and everything we do or plan to do in prayer.

TBC now has a functioning Prayer Team who would be very happy to pray with either visitors or regulars after services. Look for the prayer team badges with the above picture on them. If you have a prayer request that the team could pray for over the forthcoming week you can either give it to one of the team or place it in the prayer box at the back of the church. Each member or regular visitor is prayed for daily/weekly by individual members of the team - if you haven't already done so please give us your prayer requests for a new term - or why not fill in a card during the 24 hour prayer event?

Prayer Mission Breakfast - September's is on 26th September at Shirley's

Are YOU a fan of 24?

September is usually a time of new series - on the telly - in the church - it's almost as if things wind down over the summer and we need a KICK START to a new academic year - into Autumn. The days fly by but do we capture the urgency - do we realise that a single day - 24 hours can change the world - who can forget 9/11? A lot can change in an hour let alone 24 hours back to back....

Well forget the frantic TV series with Jack Bower and unlikely terrorist plots.... This is where the real action happens - take part and change the world.

Friday 10th Sept high noon - through the day, night and morning to Saturday lunchtime - TBC is praying, praying to change our heart, praying to change the world.

It's a 24 hour vigil here at the church - book your slot NOW! Every minute needs to be covered, everyone who can call on the LORD is needed, if you've never tried praying and waiting on the LORD for a full hour before then take a step of faith. There will be lots of stimulating ideas and places to write, draw or call out your prayers.

Take an hour - take time to hear the LORD and see your world changed....tick ...tick ...tick.
